

Placebo - Pure morning

Tom: **A**

E A

A friend in need's a friend indeed, a friend with weed is better
 A friend with breasts and all the rest, a friend who's dressed in leather
 A friend in need's a friend indeed, a friend who'll tease is better

Our thoughts compressed which makes us blessed and makes for stormy weather
 A friend in need's a friend indeed, my Japanese is better
 And when she's pressed she will undress and then she's boxing clever
 A friend in need's a friend indeed, a friend who bleeds is better
 My friend confessed she passed the test and we will never sever
 Days dawning, skins crawling, pure morning
