

Placebo - Rob The Bank

Tom: **Bb**

Rob the bank of England and America
 Rob the bank of the entire Euro Zone
 Rob the bank of Mexico and Canada
 Rob the bank then take me home
 But take me home
 And make love
 And make love
 And make love... and make love
 Rob the bank make a joke out of dyslexia
 Rob the bank then pick your nose
 Rob the bank paint a picture of a swastika
 Rob the bank then take me home
 But take me home

And make love (8x)

And if ever i suspect that in your head
 You're somewhere else you are thinkin'
 Or maybe you don't think of me at all
 And if ever you conspire to woo another
 I will not be forsaken
 Beware the very hell and all it's fury,
 If i am scorned, scorned
 Rob the bank in Luxemburg and Monaco
 Rob the bank in Lichtenstein and Rome
 Rob the bank pick the biggest vault in Moscow
 Rob the bank then take me home
 But take me home
 And make love (8x)
