

Placebo - Song To Say Goodbye

Tom: C

Am C G

You are one of god's mistakes, you crying tragic waste of skin
 I'm well aware of how it aches and you still won't let me in.
 Now I'm breaking down your door to try and save your swollen
 face
 Though I don't like you anymore you lying trying waste of
 space
 You were mother nature's son, someone to whom I could relate
 You're needle and your damage done remains a sorted twisted of
 fate

Now I'm trying to wake you up to pull you from the liquid sky
 Cause if I don't we'll both end up with just your songs that
 say goodbye

Am C G

My oh my, a song to say goodbye
 A song to say

F
