

# Placebo - Teenage Angst

Tom: B

Para guitarra, melhor usar os acordes acima da quarta casa.

B Shine the headlight  
 B Straight into my eyes  
 B Like the roadkill  
 B I'm paralysed  
 E You see through my disguise  
 B At the drive-in  
 B Double feature  
 B Pull the lever  
 B Break the fever  
 B And say your last goodbye  
 Abm Since I was born I started to decay  
 Abm Gb B

Now nothing ever ever goes my way  
 B One fluid gesture  
 B Like stepping back in time  
 B Trapped in amber  
 B E Petrified  
 B And still not satisfied  
 B Ains and social graces  
 B Elocution so divine  
 B I'll stick to my needle  
 B E And my favourite waste of time  
 B Both spineless and sublime  
 Abm Gb B Since I was born I started to decay  
 Abm Gb B Now nothing ever ever goes my way

## Acordes
