(verso 1)

C Hey there delilah, what's it like in new york city?

C I'm a thousand miles away, but girl tonight you look so pretty,

G Yes you do, time square can't shine as bright as you, i swear it's true.

C Hey there delilah, don't you worry about the distance,

C I'm right there if you get lonely, give this song another listen,

G Close your eyes, listen to my voice it's my disguise, i'm by your side.

(refrão)

C Oh it's what you do to me, oh it's what you do to me,

C Oh it's what you do to me, oh it's what you do to me, what you do to me.

(verse 2)

C Hey there delilah, i know times are getting hard,

C But just believe me girl some day, i'll pay the bills with this guitar,

G We'll have it good, we'll have the life we knew we would, my word is good.

C Hey there delilah, i've got so much left to say,

C If every simple song i wrote to you, would take your breath

away,

Am7 Ab G I'd write it all, even more in love with me you'd fall, **Am7 G** we'd have it all.

(refrão)

C Oh it's what you do to me, oh it's what you do to me,

C Oh it's what you do to me, oh it's what you do to me.

(ponte)

Ab A thousand miles seems pretty far, but they've got planes, trains and cars,

C I'd walk to you if i had no other way.

Ab Our friends would all make fun of us, and we'll just laugh along because,

C We know that none of them have felt this way,

Ab Delilah i can promise you, that by the time that we get through,

Am7 Ab G The world will never ever be the same and you're to blame!

(verso 3)

C Hey there delilah you be good, and don't you miss me,

C Two more years and you'll be done with school, and i'll be making history,

Am7 Ab G Like i do, you'll know it's all because of you,

Ab We can do whatever we want to

Ab Hey there delilah here's to you, this one's for you.

(refrao)

C Oh it's what you do to me, oh it's what you do to me,

C Oh it's what you do to me, oh it's what you do to me.
