

Planetshakers - Come Right Now

Tom: Ab

Nothing excites us like Jesus
 ?Cause in His presence there's freedom
 All of our sin is forgiven
 So we give to Him the highest praise

It's the greatest feeling
 when You fill this place
 In this moment, You are moving,
 as we give You praise

Come right now, Holy Spirit
 release Your power Lord we are hungry for more of You
 Heaven's open, You're bursting through
 Filling this place like a rushing wind
 Come and move again
 Like a fire within, we will burn burn burn

To everybody that's hurting
 Here comes the sound of rejoicing
 Our happiness He's restoring
 So we give to Him the highest praise

It's the greatest feeling
 when You fill this place
 In this moment, You are moving,
 as we give You praise

Come right now, Holy Spirit
 release Your power Lord we are hungry for more of You
 Heaven's open, You're bursting through
 Filling this place like a rushing wind
 Come and move again
 Like a fire within, we will burn burn burn...

We raise our hands up
 We're going all out
 We're lifting up the name of Jesus, Jesus
 Nothing will stop us
 Singing Your praises
 Your Holy Spirit is here
 Like a rushing wind, come and move again
 Like a fire within, we will burn burn burn...
 We raise our hands up, we raise our hands up
 We raise our hands up, we raise our hands up
