

Planetshakers - I Need You

Tom: D
Intro: D G

Let my words,
and my heart,
Honor You,
Lord in all,
Of my life.

Let Your power,
Shine in me,
Let the church,
Be Your light,
In this world

Lord when I'm weak, You are strong.

When in need I know that You are everything,
You are all,
That I long for.

I need You,
More than words can say,
More and more each day,
Jesus I love You!

I need You,
More than life itself.
Jesus I will worship You,
Forevermore.

Solo: Bm G D A A A

Worthy of all my praise,
Name above every name,
I exalt You,
I exalt You! (4x)

I need You,
More than words can say,
More and more each day,
Jesus I love You, Jesus I love You!

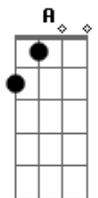

I need You,
More than words can say,
More and more each day,
Jesus I love You!

I need You,
More than life itself.
Jesus I will worship You,
Forevermore.

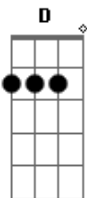

I need You,
More than words can say,
More and more each day,
Jesus I love You!

I need You,
More than life itself.
Jesus I will worship You,
Forevermore.
