

Planked Band - I Want To Be There

tom:
 You're the one
 Left behind time is passing by
 Through your eyes
 Sitting at my piano
 Dust is all over, why me?
 Nothing comes All it goes
 Will I ever find
 Something worth
 I will stand righth here
 Waiting for it to come

I dont see the light
 Please dont tell me lies
 Dont you walk away
 In here you stay
 Until you get this
 I want to be there
 Dreams wont ever end
 But I cant stand to wait
 Some day I will be flying
 Like an eagle
 In the sky

Acordes
