

# Playing For Change - War / No More Trouble

Tom: **D**

( **Bm A** )  
 Until the philosophy which holds one race  
 Superior and another inferior  
 Is finally and permanently discredited and abandoned  
 Everywhere is war, me say war

That until there is no longer first class  
 And second class citizens of any nation  
 Until the colour of a man's skin  
 Is of no more significance than the colour of his eyes  
 every where is war

War! Everywhere is war!

**Bm**  
 We don't need) No, we don't need (no more trouble)  
 No more trouble!

**Em Gbm Bm**

(We don't need no more trouble)

**Em Gbm Bm**  
 uoh! ooh...

[A partir daqui começa a batida mais comum no reggae]  
**Bm**  
 (We don't need)We don't need(no more)trouble!  
 We don't need no trouble!

(We don't need no more trouble)  
 Make love and not war!  
 'Cause we don't need no trouble  
 What we need is love (love)  
 To guide and protect us on (on)  
 If you hope good down from above (love)  
 Help the weak if you are strong now (strong)

**Em Em Gbm Em**

We don't need no trouble

**Em Gbm**

What we need is love Oh, no!
