A Turn it up, I never want to go home
I only want to be part of your breakdown
A She got caught by the fall on the floor
It picked her up and she'll never get let down
And now I can't, stop, thinking about it
All you people at the top don't know nothing about it
A We don't give a fuck what the price is
So just leave us to our own devices And we'll leave you alone

[Refrão]

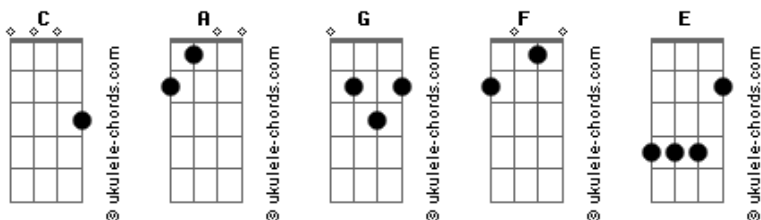

F I'll be there when you heart stops beating
E I'll be there when your last breaths taken away
F In the dark when there's no one listening
E In the times when we both get carried away
