Tom: **A**

(com acordes na forma de )  
Beautiful  
P.O.D.

Riff 1 x2

Riff 1  
You stand with a gun in your hand  
Staring at the wall with a look so sad

Riff 1  
Thinking about who really cares  
And will they even notice if I just disappear

Riff 2  
In one bang a bust to the head  
Shed rather fly through the sky than walk with the dead

Riff 2  
She stays high while the world goes by  
Just another day here waiting to die

Riff 3  
But life is beautiful  
Share a little love with the whole wide world

Riff 3  
Every boy and girl sing this song  
When we sing why-o,  
Why-o

Riff 1  
And she cries but her man denies  
Its funny how love covers so many lies

Riff 1  
He said he'd never do it again  
So she puts on a smile and starts to pretend

Riff 2  
And she hides all the pain inside  
While filling up her arms with pretty little lines

Riff 2  
She cuts with no intent to kill  
This time she didn't do it  
But someday she will

Riff 3  
But life is beautiful  
So share a little love with the whole wide world

Riff 3  
Every boy and girl sing this song  
When we sing why-o,  
Why-o

Riff 4  
And hey, you're beautiful  
And there's enough love for the whole wide world

Riff 4  
Every boy and girl sing along  
When we sing why-o,  
Why-o

Riff 5 x1.5 Distorção

And hey,  
I know that you can find a way  
You're beautiful to me  
No matter what you think or say  
Its all gonna be okay  
You're beautiful to me  
Riff 1 Limpo

Too weak, too weary to drive  
Too angry inside, well so am I  
Im all alone with nobody else  
If in need of help, I keep reminding myself
