

P.O.D - Preach

Tom: **Bb**

Dropped **D** tuning

Verse: Play with a sustain kind of distortion.

Let it be know that you heard it from here
 When I'm on this microphone you know I make myself clear
 With the power, with the love, with the boldness
 Look in my eyes and remember who told you this
 D variation: (Let it ring)

D|-0-0--0~
 A|-0-0--0~
 E|-0-0--0~

Payable on Death gonna hit ya hit-man
 Talk all you want, I don't fear any man
 Cuz ya frontin' ain't nothin but words to me
 You never had the stuff and your butt ain't crazy enough

(D variation)

Then the bass will play this:

To handle, we come step to me
 My King is He in the power of Three

(Verse)

So what you want you ain't down with us

You get so scared, so mad when I say the word Jesus

(D variation; let ring)

I ain't down, you preach too much
 But if you ask me boy, I think I don't preach enough
 I tell you God is real, so don't miss the boat
 But since we come off hard, you say we shove it down your throats

(D variation; stop after you play it)
 (Bass)

You wanna talk that talk, walk that walk then
 I'm the only person you see, but it ain't me that you mock
 Man is nothing, but you think that you're bad fool
 If it wasn't for my God, I would have already had you

Then: (Palm mute the **D** chord a little bit)

Deny His name, are you willing to admit it
 And if so, are you willing to die for it
 Cuz, I am, He is my life
 And I don't fear death cuz he already paid the Price
 All your talk and are your threats ain't jack,
 Blaspheme my God, Yo punk I'm not having that,
 Turn away it's your own loss
 Cuz all I can do is just take them to the cross

Let the **D** ring and then do the variation to end the song.
