

Poets Of The Fall - Cradled In Love

Tom: **F**

Intro: **F Dm F Dm**

F You had the blue note sapphire eyes, **Dm**
 To back up all those gazes **C2**
 To pierce my guard and take my soul off **Bb2**
 To faraway places **C2**

Told me I'll never be alone, **Bb2**
 Cause you're right there

F We took a gamble with this love, **Dm**
 Like sailing to the storm **C2**
 With the waves rushing over to take us, **Bb2**
 We were battling against the tide **C2**

You were my beacon of salvation, **Bb2**
 I was your starlight

F So don't cry for your love, **Dm**
 Cry tears of joy **Bb2**
 Cause you're alive cradled in love **C2**
F So don't cry for your love, **Dm**
 Cry tears of joy **Bb2**

F Dm F Dm

I kept the love you gave me alive,
 And now I carry it with me
 I know it's just a tear drop from mother

But in it I can hear a dolphin sing
 Telling me I'll never be alone,
 I know you're right there

So with the fire still burning bright,
 I wanna gaze into your light
 If I could see my fortune there,
 You know how the flames can hypnotize

Do i even dare to speak out your name for fear
 like it sounds like,
 Like a lover

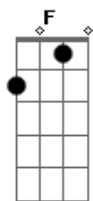

So don't cry for your love,
 Cry tears of joy
 Cause you're alive cradled in love
 So don't cry for your love,
 Cry tears of joy
 Cause you're alive cradled in love

So don't cry for your love,
 Cry tears of joy
 Cause you're alive cradled in love
 So don't cry for your love,
 Cry tears of joy

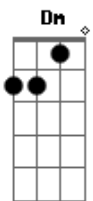

Outro: **Bb2** and **F** until the end. Last strum is one single **F**
 strum. :) Hope
 yall enjoy playing!!
