

Poison - Lay Your Body Down

tom:

Intro: D C G D

[Primeira Parte]

I've spent my life waiting, For that famous final scene
I believe you know the one
When she falls in love with me

As for you

You've been fakin' your smile

Fillin' your time on small talk, and cheap wine

Knowing in your heart there was someplace that you'd rather be

[Pré-Refrão]

So right or wrong, I wrote you this song

To tell you how I feel

Don't put up no fight, you just turn off the lights

Walk over here to me

[Refrão]

And lay your body down on me

Down on me, tonight, oh yeah

Oh, let your tears fall down on me

Down on me, tonight, oh yeah

[Segunda Parte]

As for me

I've lied to, denied to, fight with, and tried to

Apologize for all my ways...To all the women

Who were fool enough to fall in love with me

You played your role like a movie

Got your lines for who is, who was, who would be

Somehow you lost track while real love slipped away, yeah

[Pré-Refrão]

So for tonight, just turn off the lights

And let those real feelings show

There's no wrong or right, but until you try

You're never gonna know

[Refrão]

And lay your body down on me

Down on me, tonight, oh yeah

Oh, let your tears fall down on me

Down on me, tonight, oh yeah

[Ponte]

Before you was mine

I was so lonely

Ain't it A shame, your heart must feel pain

Before you get back on your feet again

[Solo] Am G C G D
Am C G D

[Pré-Refrão]

So let's draw the blinds, forget wasted time

And let them old demons die

Take hold of my hand, then you'll understand

Why love's worth one more try

[Refrão]

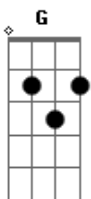

And lay your body down on me

Down on me, tonight, oh yeah

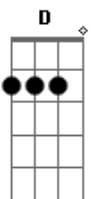

Oh, let your tears fall down on me

Down on me, tonight, oh yeah
