```
    Bm              A           G
I'll always remember you
Bm                  A
Carry your dreams

Until they come true

Everywhere I walk, I see your shadow
A                G              D
 And when I close my eyes, I see your face

And you're not on my mind

Right beside me everyday
