

# Pony Of The Stars - Finally Free

tom:  
 D  
 All your life they thought that you were a monster  
 But they didn't see the way you felt inside  
 And everybody in the world just calls you "Bowser"  
 And they never guess the secret that you hid  
 You pretend to be the King of the Koopa  
 But in your heart you know you're really a Queen  
 If you could only make a change, that would be super  
 And finally you'd know that you were truly seen  
 Bowsette, you needn't be an angry turtle!  
 Bowsette, you can be who you want to be  
 Bowsette, you can reveal your inner beauty  
 So let the Super Crown help you to just be free  
 They all know that Peach is your great obsession  
 But the reason why, they could never guess  
 And everyday you linger deep in your depression  
 For the truth is this: you want to wear her dress  
 Always busy giving orders to your minions  
 Always focused on defeating Mario

But you would gladly trade away your whole dominion  
 To fulfill the wish that none may ever know  
 Bowsette, you needn't be an angry turtle!  
 Bowsette, you can be who you want to be  
 Bowsette, you can reveal your inner beauty  
 So let the Super Crown help you to just be free  
 You can make the change today  
 Don't let it slip away  
 When you show them who you are, you're finally free!  
 Heed the wisdom of your soul  
 Make honesty your goal  
 No more need to hide; be who you're meant to be!  
 Bowsette, you needn't be an angry turtle!  
 Bowsette, you can be who you want to be  
 Bowsette, you we can see your inner beauty  
 So let the Super Crown help you to just be free  
 Bowsette, you needn't be an angry turtle!  
 Bowsette, you can be who you want to be  
 Bowsette, you we can see your inner beauty  
 So let the Super Crown help you to just be free  
 You've got the Super Crown, and finally you're free!
