

POPDee - Captive

Tom: B
 Intro: E Gb Abm / E Gb Abm Bb

I'm captive in your love
 Cannot let you go anymore
 Oh damn oh damn oh damn
 It must be love
 'Cause I know that I've been right here before
 In your touch
 in your eyes
 I found a mystery
 That's overwhelming
 I can't deny
 I'm falling
 I'm falling in love with you
 I'm falling in love
 I'm falling in love
 I'm falling
 I'm falling in love with you
 I'm falling in love
 I'm falling in love
 It was just too fast
 But how could I ever hold back
 When you promised me that
 At the end of the day
 I would find you again
 Too fast
 But how could I ever hold back

When you promised me that
 At the end of the day
 I would find you again
 Damn oh damn oh damn
 It must be love
 'Cause I know that I've been right here before
 In your touch
 in your eyes
 I found a mystery
 That's overwhelming
 I can't deny
 I'm falling
 I'm falling in love with you
 I'm falling in love
 I'm falling in love
 I'm falling
 I'm falling in love with you
 I'm falling in love
 I'm falling in love
 Show me what love is all about
 I still haven't seen it
 'Cause when I tell you I love you babe
 You know that I mean it
 Show me what love is all about
 I still haven't seen it
 'Cause when I tell you I love you babe
 You know that I mean it
