

Portal - Still Alive

Tom: C

This was a triumph
 I'm making a note here: huge success
 It's hard to overstate my satisfaction
 Aperture Science
 We do what we must because we can
 For the good of all of us
 Except the ones who are dead
 But there's no sense crying over every mistake
 You just keep on trying till you run out of cake
 And the science gets done and you make a neat gun
 For the people who are still alive
 I'm not even angry
 I'm being so sincere right now
 Even though you broke my heart and killed me
 And tore me to pieces
 And threw every piece into a fire
 As they burned it hurt because
 I was so happy for you
 Now these points of data make a beautiful line
 And we're out of beta, we're releasing on time

So I'm glad I got burned, think of all the things we learned
 For the people who are still alive
 Go ahead and leave me
 I think I'd prefer to stay inside
 Maybe you'll find someone else to help you
 Maybe Black Mesa
 That was a joke, ha ha, fat chance
 Anyway this cake is great
 It's so delicious and moist
 Look at me still talking when there's science to do
 When I look out there it makes me glad I'm not you
 I've experiments to run, there is research to be done
 On the people who are still alive
 And believe me I am still alive
 I'm doing science and I'm still alive
 I feel fantastic and I'm still alive
 And while you're dying I'll be still alive
 And when you're dead I will be still alive
 Still alive
 Still alive
