

Portishead - It Could Be Sweet

Tom: **D**

Obs.: Durante toda a música há apenas uma sequência de acordes que é a seguinte:

(**Bm** **A** **Bm** **A** **Bm** **A** **Dbm** **Dm** **Dm**)

I don't want to hurt you
 For no reason have I but fear
 And I ain't guilty of the crimes you accuse me of
 But I'm guilty of fear

I'm sorry to remind
 You but I'm scared of what we're creating
 This life ain't fair
 You don't get something for nothing, turn now
 Mmmm gotta try a little harder

It could be sweet
 Like a long forgotten dream
 And we don't need them to cast the fate we have
 Love don't always shine thru

Cos I don't wanna lose

What we had last time your leaving this life ain't fair
 You don't get something for nothing, turn now
 Mmmm gotta try a little harder

It could be sweet...

But the thoughts we try to deny
 Take a toll upon our lives
 We struggle on in depths of pride
 Tangled up in single minds

Cos I don't wanna lose
 What we had last time your leaving this life ain't fair
 You don't get something for nothing, turn back

Mmmm gotta try a little harder

Cos I don't wanna lose
 What we had last time your leaving this life ain't fair
 You don't get something for nothing, turn back
 Mmmm gotta try a little harder

It could be sweet
