

# Portugal The Man - And I

Tom: C

Some were reborn<sup>Am</sup>  
 Some were simply shaken free<sup>Dm</sup>  
 Some were the colors<sup>G</sup>  
 That took to the streets<sup>C</sup>  
 They found in those later years<sup>Am</sup>  
 They knew what we need<sup>Dm</sup>  
 It's love for each other<sup>G</sup>  
 And every living thing<sup>C</sup>

And now all my time (all my time)<sup>Am Dm</sup>  
 Is used<sup>G</sup>  
 It's only<sup>C</sup>  
 Lonely time too

Ahhhhhhhh<sup>Am</sup>  
 Some were simply shaken free<sup>Dm</sup>  
 Some were the colors<sup>G</sup>  
 That took to the streets<sup>C</sup>  
 They thought in those younger years<sup>Am</sup>  
 They knew what to do<sup>Dm</sup>  
 They knew what to say<sup>G</sup>  
 Had nothing to lose<sup>C</sup>

<sup>Am Dm G C</sup> (Play just as if it were another verse)

Now pick up and pack up the place you were pink<sup>Am E F C</sup>  
 And falling around<sup>Am E F C</sup>  
 Dripping and crawling and clawing inside<sup>Am E F C</sup>

You're missing some sounds

The ones that float carry and dance about time<sup>Am E F C</sup>  
 And space that it lends<sup>Am E F C</sup>  
 Room to be free like the sun and the moon<sup>Am E F C</sup>  
 Save for the sound

Take from the air<sup>Am E</sup>  
 Take to the streets<sup>F</sup>  
 And I, ooohooohooohoo<sup>C</sup>  
 (x4)

(Slow it downnnn for these two upcoming verses)

We'll be reborn<sup>Am</sup>  
 Yeah we'll simply be free<sup>Dm</sup>  
 We'll be the colors<sup>G</sup>  
 That pour through the streets<sup>C</sup>

And find in their after years<sup>Am</sup>  
 That we're all, we're all the same<sup>Dm</sup>  
 We're all the colors<sup>G</sup>  
 That pour through the streets<sup>C</sup>

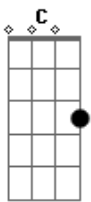

<sup>Am E F C</sup> (x2, in the style of the And I part)

Take from the air<sup>Am E</sup>  
 Take to the streets<sup>F</sup>  
 And I, ooohooohooohoo<sup>C</sup>  
 (x4)

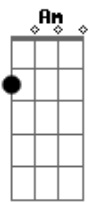

(Slow down)

Take from the air<sup>Am E</sup>  
 Take to the streets<sup>F</sup>  
 And I<sup>C</sup>  
 (x2)
