

Portugal The Man - Creep In a T-shirt

Tom: F

Dm **F**
I'm sorry Mr. Policeman

C **G**
If I wanted to talk I would've called a friend

Dm **F**
Don't worry when I get back home

C **G**
I'll just stay in bed, I'm better off alone

Dm **F**
I woke up to my glory days

C **G**
Never was a child, I was born this way

Dm **F** **C**
Always there but always out of place

G
Feels so alien

Dm
I don't know what I know

F
But I know where it's at

C **G**
Just because I lost it doesn't mean I want it back

Dm
I don't know what I know

F
But I know where it's at

C **G**
Just because I lost it doesn't mean I want it back

Dm **F**
[You don't get it, get it get it get it]

C **G**
Cuz it's the world I'm living in

Dm **F**
[You don't get it, get it get it get it]

C **G** **Dm**
I'm just a creep in a t-shirt, jeans, I don't fuckin care

Dm **F**
Sorry but I don't recall the crime

C **G**
My memory has left me behind

Dm **F**
May have been a man, maybe a friend

C **G**
Or maybe aliens

Dm
I don't know what I know

F
But I know where it's at

C **G**
Just because I lost it doesn't mean I want it back

Dm
I don't know what I know

F
But I know where it's at

C **G**
Just because I lost it doesn't mean I want it back

Dm **F**
[You don't get it get it get it get it]

C **G**
Cuz it's the world I'm living in

Dm **F**
[You don't get it get it get it get it]

C **G** **Dm**
I'm just a creep in a t-shirt, jeans, I don't fuckin care

(**Dm** **F** **C** **G**)

C **G** **Bb**
I'm just a creep in a t-shirt, jeans, I don't fuckin care

F **C** **G**
It's not because the light here is brighter

Bb **F** **C** **G**
And it's not that I'm evil, I just don't like to pretend

C **G** **Dm**
I'm just a creep in a t-shirt, jeans, I don't fuckin care
