 I'm waiting on you again, so I don't take the blame  
 Run away but we're running in circles  
 Run away, run away, run away, oh

[Segunda Parte]

Let go  
 I got a feeling that it's time to let go  
 I say so  
 I knew that this was doomed from the get go  
 You thought that it was special, special  
 But it was just the sex though, the sex though  
 And I still hear the echoes (The echoes)  
 I got a feeling that it's time to let it go, let it go

[Refrão]

Seasons change and our love went cold  
 Feed the flame 'cause we can't let go  
 Run away but we're running in circles  
 Run away, run away

I dare you to do something  
 I'm waiting on you again, so I don't take the blame  
 Run away but we're running in circles  
 Run away, run away, run away

[Ponte]

Maybe you don't understand what I'm going through  
 It's only me, what you got to lose?  
 Make up your mind, tell me what are you gonna do  
 It's only me, let it go

[Refrão]

Seasons change and our love went cold  
 Feed the flame 'cause we can't let go  
 Run away but we're running in circles  
 Run away, run away  
 I dare you to do something  
 I'm waiting on you again, so I don't take the blame  
 Run away but we're running in circles  
 Run away, run away, run away
