

Post Malone - Take What You Want (feat. Ozzy Osbourne, Travis Scott)

tom:

Intro: Dbm B E A
Dbm B A Ab7

[Riff]

Dbm B E A
I feel you crumble in my arms down to your heart of stone
Dbm B A Ab7
You bled me dry just like the tears you never show

Why don't you take what you want from me?

B
Take what you need from me

E A
Take what you want and go

Why don't you take what you want from me?

B
Take what you need from me

A Ab7
Take what you want and go

[Primeira Parte]

Dbm B
I never needed anything from you
E A
And all I ever asked was for the truth

Dbm B
You showed your tongue and it was forked in two

A Ab7
Your venom was lethal, I almost believed you

Dbm B
Yeah, you preyed on my every mistake

B A
Waited on me to break, held me under hopin' I would drown

Dbm B
Like a plague, I was wasting away

A Ab7
Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Tryna find my way out, find my way out

Dbm
Why don't you take what you want from me?

B
Take what you need from me

A Ab7
Take what you want and go

[Segunda Parte]

Dbm B
I took them stones you threw, made chains for the crew (ice)

E A
I brought up 10 hoes, this coupé only made for two

Dbm B
They all ran through it, it ain't nothing left to do

A Ab7
I need some more reasons to live out this evening (straight up)

Dbm B
I've been sippin' forever and just taking whatever

E A
Hoping, thinking whenever you'll be back around

Dbm
Let's go our ways, whichever

B
You say how is however long

A Ab7
'Cause you know I never be alone

[Pré-Refrão]

Dbm
Love (love)

B E
Shorty gon' back (shorty gon' back)

A
Need it on sight (need it on sight)

Dbm
Crack it all back (crack it all back)

B
Give her that pipe (give her that pipe)

A
All of my cash (all of my cash)

Ab7
Shawty went bad (shawty went bad)

[Refrão]

Dbm B E A
I feel you crumble in my arms down to your heart of stone

Dbm B A Ab7
You bled me dry just like the tears you never show

Dbm
Why don't you take what you want from me?

B
Take what you need from me

E A
Take what you want and go

Dbm
Why don't you take what you want from me?

B
Take what you need from me

A Ab7
Take what you want and go

(Dbm B E A)
(Dbm B A Ab7)

Take it all away
Why don't you (take what you want, take what you need)
Take what you need from me? Yeah
(Take what you want) why don't you (take what you need)
(What you need, yeah)
