

Post Malone - What Don't Belong To Me

tom:

Db (forma dos acordes no tom de Bb)

Capostrate na 3ª casa

Intro: C7M G

[Primeira Parte]

C7M

I can wrap a rope around the Moon

Tie it up and drag it down to you

Honey, if you asked me to

You know I'd try it

I could put some diamonds 'round your neck

Dancin' in a room with red sunset

Girl, if you don't wanna lay in this jet

Let's keep on flyin'

[Pré-Refrão]

Every string, every chord

My guitar, I give you everything in the world

But my heart

[Refrão]

'Cause I gave half to them halfway lovers

I left some to them too-drunk summers

Left a piece in the bar with the keys to my car

I know I'm never gettin' it back

I lost a lot to that whiskey sippin'

I gave the rest to that rockstar livin'

Take all of me, but there's one thing missin'

Baby, I can't give you what don't belong to me

[Post-Refrão]

(What don't belong to me)

(What don't belong to me) What don't belong to me

(What don't belong to me)

(What don't belong to me)

[Segunda Parte]

I could lay you down, I could change your life

Maybe not forever, no, but baby, for tonight

If I knew I need you one day

I wouldn't never gave it all away

[Pre-chorus]

And I wish I could give you the best

'Cause you deserve much more than this hole in my chest

[Refrão]

'Cause I gave half to them halfway lovers

I left some to them too-drunk summers

Left a piece in the bar with the keys to my car

I know I'm never gettin' it back

I lost a lot to that whiskey sippin'

I gave the rest to that rockstar livin'

Take all of me, but there's one thing missin'

Baby, I can't give you what don't belong to me

[Pos-Refrão]

(What don't belong to me)

(What don't belong to me) What don't belong to me

(What don't belong to me)

(What don't belong to me)

[Ponte]

Yeah, you keep holdin' on, but it's gone when it's gone

And you can't replace it

Baby, let's just face it

Baby, let's just face it

[Refrão]

'Cause I gave half to them halfway lovers

I left some to them too-drunk summers

Left a piece in the bar with the keys to my car

I know I'm never gettin' it back

I lost a lot to that whiskey sippin'

I gave the rest to that rockstar livin'

Take all of me, but there's one thing missin'

Baby, I can't give you what don't belong to me

[Pos-Refrão]

(What don't belong to me)

(What don't belong to me) No, what don't belong to me

(What don't belong to me)

(What don't belong to me) Yeah, what don't belong to me

(What don't belong to me)

(What don't belong to me) What don't belong to me

(What don't belong to me)

(What don't belong to me)

[Final]

What don't belong to me ^{C7M}
