                                                                                                                                                                                                                 But you're gone and I gotta stay high all the time
                                                    tom:
                                                    C (forma dos acordes no tom de G )
                                                                                                                                                                                                                                                                          G7M
                                                                                                                                                                                                                 To keep you off my mind
Capostraste na 5º casa
                                                                                                                                                                                                                                                           G
                                                                                                                                                                                                                 Pu puh pu puh, pu puh pu puh
   I eat my dinner in my bathtub
                                                                                                                                                                                                                             Gb
                                                                                                                                                                                                                 Oh, high all the time
                    Db6 C
Then I go to sex clubs
                                                         Em7
                                                                                  G7M
                                                                                                                                                                                                                 To keep you off my mind
Watchin' freaky people gettin' it on
                                                                                                                                                                                                                 Pu puh pu puh, pu puh pu, pupu dey
And it doesn't make me nervous
                                                                                                                                                                                                                 Spend my days locked in a haze
If anything, I'm restless
                                                                                                                                                                                                                 Trying to forget you, babe
                                                          Em7
Yeah, I've been around and I've seen it all
                                                                                                                                                                                                                 But I fall back down
                                                                                                                                                                                                                 C7M Gb
                                                                                                                                                                                                                                                                                         Gb
I get home, I got the munchies
                                                                                                                                                                                                                 Gotta stay high all my life to forget I'm missing you
                        Db6 C
Binge on all my Twinkies
                                                                                                                                                                                                                 Staying in my play pretend
                                                       Em7
Throw up in the tub, then I go to sleep
                                                                                                                                                                                                                                                                                                             G7M Em
                                                                                                                                                                                                                 Where the fun ain't got no end, ohh
And I drank up all my money
                                                                                                                                                                                                                 Can't go home alone again
                                                     Fb
                                                                                                                                                                                                                                                                                                        G7M Em
Days get kinda lonely
                                                                                                                                                                                                                 Need someone to numb the pain, woah, ohh ohh
                                                                         C7M
When you're gone and I gotta stay high all the time
                                                            G7M
                                                                                                                                                                                                                 Staying in my play pretend
To keep you off my mind
                                                                                                                                                                                                                                                                                                           G7M

                                                                                                                                                                                                                 You know, you know
Pu puh pu puh, pu puh pu puh, oh
Spend my days locked in a haze
                                                                                                                                                                                                                 I gotta stay high all the time
Trying to forget you, babe
                                                                                                                                                                                                                 To keep you off my mind
                                                                                                                                                                                                                                                              G
                                                                                                                                                                                                                 Pu puh pu puh, pu puh pu puh
But I fall back down
                                   Gb
I gotta stay high all my life
                                                                                                                                                                                                                 Oh, high all the time
To forget I'm missing you
                                                                                                                                                                                                                 To keep you off my mind
                                                                                                                                                                                                                                                                                                                          C7M
                                                                                                                                                                                                                 Pu puh pu puh, pu puh pu, pupu puh
I pick up daddies at the playground
                                                                                                                                                                                                                 Spend my days locked in a haze
                                             Db6 C
That's how I spend my days now
                                                                                                                                                                                                                                                            G7M
                                                                                                                     G7M Gbm6
                                                                                                                                                                                                                 Trying to forget you, babe
                                                            Em7
Loosen up their frown, make 'em feel alive
                                                                                                                                                                                                                 But I fall back down
                                                                                                                                                                                                                                                    Gb
I make it fast and greasy
                                                                                                                                                                                                                 I Gotta stay high all the time
I know I'm way too easy
                                                                                                                                                                                                                 To forget I'm missing you
