Verso 1

Stand up for God in the land of the fire

Bring on the madness you're born to destroy

Beyond the trail of Tartarean riders

Armata Strigoi

Before the morning can break we retire

The searing heat of the sun we avoid

Await the dark proud Walachian fighters

Armata Strigoi

Refrão

We are the stormbound, the avatáro

We are the sons of God and sorrow

We are the ones who see no tomorrow

Suck up! Armata de Strigoi
