She might seem cute but I swear that she's not
 Her face looks nice but her heart's got a clot
 She don't know how to love and I doubt she'll ever learn
 I gave her all I had and got nothin' in return
 Whenever out on public good at puttin' on a mask
 But whenever alone she a pain in the
 She actin' like my friend, but it was all a joke
 Left a bad taste like a burnt piece of toast
