tom: Eb (forma dos acordes no tom de D)
 Capotraste na 1ª casa
 Intro: D Bm A
 D Bm A

[Refrão]

See your scars
 I know just how it feels
 Left abandoned by what you thought was real
 It's okay if you don't win every fight
 All the darkness only comes in the night
 But I'll be here forever

[Primeira Parte]

I think about you all the time, throughout my daily routines
 You might think you're nothing special but you're special to me
 Yeah, I hate it when I see you always put yourself down
 Please don't worry if you lost there's always a way out
 I know it's easy for me to say, I'm not in the same spot
 But I'll stay with you forever, we can stare at the clock
 Let's have a party for two until our eyelids close
 I'ma ask you to dance and I ain't taking a "no"

[Segunda Parte]

I know that you're lonely
 Only if you knew how much I care
 Friends have never showed you love
 Promise I'ma show you some
 Yeah, people change but I won't leave this path
 You're the girl in my heart, you're the X on the map, yeah
 Come inside, it's too cold for an angel
 Take things slow, won't move 'til you're stable
 Like you are loud, but I'll keep that a secret
 I'll kill the ghost that is in your dreams
