

PP - Ipê

tom: D

A chuva cai aqui
 Como a queda que eu tenho por ti
 E o roxo das flores do ipê
 Só me faz lembrar de você

Eu já percebi
 Que a cor preta lhe cai muito bem
 É a cor do seu gato também
 Que você cuida com muito amor

Tão perfeita
 Jeito único de existir
 Ama escrever, me fazer sorrir
 Sabe da minha mania em você

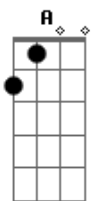

Teu perfume
 Tá literalmente no ar
 Não consigo amenizar
 A vontade de te ver

(Em A7 D Bm B7)
 (Em A A7)
 (D7 D B7)

Tão perfeita
 Jeito único de existir
 Ama escrever, me fazer sorrir
 Sabe da minha mania em você

Teu perfume
 Tá literalmente no ar
 Não consigo amenizar
 A vontade de te ver
