

# Pr. Paulo Sérgio - Carregando Madeiro

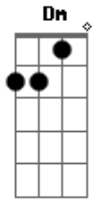

tom: Dm

Dm Dm Dm  
 Carregando o madeiro, Jesus prosseguia  
 Pelo mundo inteiro, sua vida daria  
 Caminhando Ele ia, sofrendo a dor  
 Por nós padecia, nos dando amor

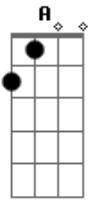

[Refrão]

A Gm C F C Dm  
 Não era uma fatalidade, nem tampouco um ato impensado  
 Pois senão toda humanidade haveria findado  
 Cravos e espinhos, lhe deixava marcado  
 Mas o nosso caminho, era assim conquistado  
 Terminado o suplício, Jesus expirou  
 Pelo seu sacrifício, para Deus nos comprou
