

# Pratagy - Our Baby

tom:

A

A Gbm

It's not fair

Bm E A  
Why you always laugh at me

Gbm

When I say

Bm E  
How beautiful it would be

Gbm E

Our son

Bm D Gbm

Or our daughter it doesn't matter anyway

E

With your eyes

Bm D

And my nose and pale white skin

A Bm E

So please let our baby

A Bm E

Live this cruel world

A  
Yes I know, life wouldn't be the same

Bm E

But baby you can even choose the name

A  
We would be happy, I'll try to make your head

Bm E  
Don't you worry Jah provide the bread

A Gbm

Then you say

Bm E A  
Honey maybe in eight years

Gbm

But I'm prepared

Bm E  
To take care of our little child

Gbm E

We could live

Bm D Gbm  
Like the hippies selling our art to everyone

E

On the beach

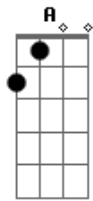

Bm D

Sleeping together on the park bench

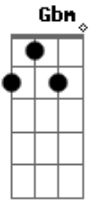

A Bm E A

So please let's have a baby
