

PREP - On And On

tom:

Intro: **D7M** **E** **A7M**

D7M **E** **A7M**
 I never thought I had a chance
D7M **E** **A7M**
 You seemed so sure of what you wanted
D7M **E**
 But I guess everybody's lookin' to disappear
A7M
 You're the only road I can see from here
Gbm **Abm** **A7M** **A**
 And I don't mind it gettin' us nowhere

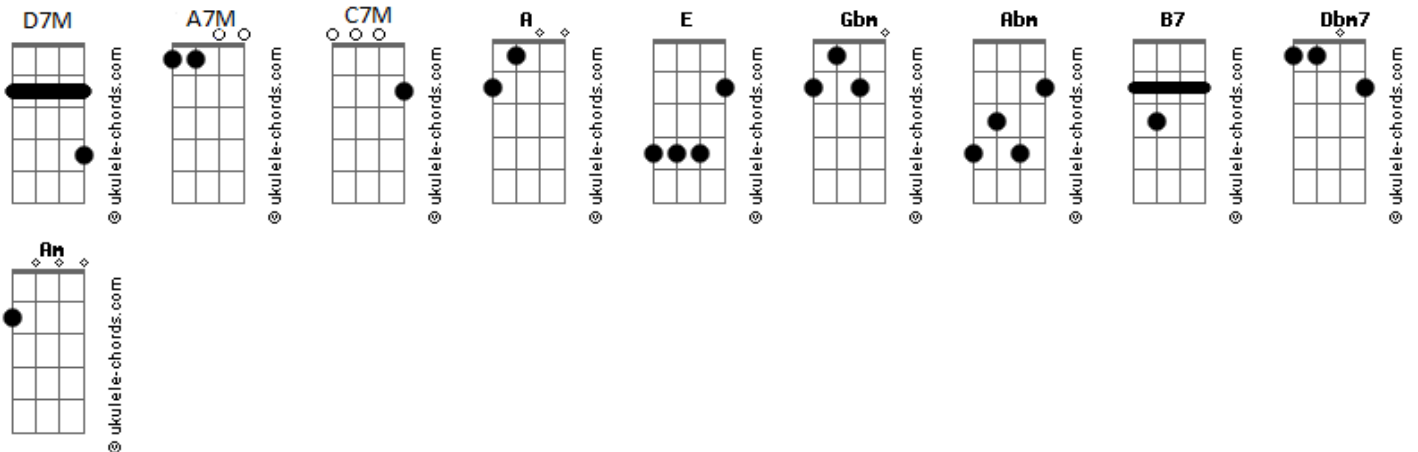

E **A7M**
 'Cause I've been doin' a lot of thinkin' since we split
Gbm
 Said a lot of things when I didn't know shit
E **A7M**
 And I should've loved you more, that's the truth of it
Gbm **B7**
 Sometimes I'm slow to the mark
E **A7M**
 Been in a lot of places I don't fit
Gbm
 I know we're better
B7 **Dbm7** **C7M**
 I know we're more if we take the chance
Am **A** **D7M**
 This one could run on and on

D7M **E** **A7M**
 With all those sparks that never catch

(The way it is, just the way it is)
D7M **E** **A7M**
 And all those birds that never fly back

(The way it is, just the way it is)
D7M **E**
 If you're still lookin' for a place to disappear
A7M
 There's a lot of sky I can see from here
Gbm **Abm** **A7M** **A**
