

PREP - Whos Got You Singing Again

^C tom:

It happens so easy at the start
^G Got too used to being understood
^{Dm} Then one day I caught you looking down
^G Couldn't reach you like I thought I could
^{Dm} I never knew why you gave it all up
^G Is that it? Was there something I missed

^F In the silences
^G That we couldn't seem to break through
^F Should've known; needed more than this to hold onto you

[Chorus]
^C Just tell me truth, who's got you you singing again?
^F Who put the light back in your eye?
^C Who's got you singing again?
^F That thing you had; I wish it'd come back with the right line
^F As you threw down the blind
 With just a manner of time

[Verse 2]
^{Dm} I know that you've been a little restless
^{Dm} You're not the type to let it lie
^G While I'm here counting what I still got left
^{Dm} Was in a daze when you gave it all up
^G Is that it? Was there something I missed

In the silences
^G That we never seem to break through
^F Should've known; needed more than this to hold onto you

[Chorus]
^C Just tell me truth, who's got you you singing again?
^F Who put the light back in your eye?
^C Who's got you you singing again?
^F That thing you had; I wish it'd come back with the right line
^F As you threw down the blind
 With just a manner of time

[Chorus]
^C Who's got you you singing again?
^F Who put the light back in your eye?
^C Who's got you you singing again?
^F That thing you had; I wish it'd come back with the right line
^F As you threw down the blind
 With just a manner of time

^C Who's got you you singing again?
^F Who put the light back in your eye?
^C Who's got you you singing again?
^F That thing you had; you got it back

[Final]
^{Dm} Never seen you move so easy
^{Em} Never seen you laugh like that
^F Never knew how much I was missing
