

Pretty Poison - Don't Cry Baby

tom:

Em

Honey, please don't cry, listen to me

There's no reason why we shouldn't agree

If I hurt your feeling, I apologize

You're the on-ly one that I idolize

Don't cry, baby, don't cry, baby

Dry your eyes and let's be sweethearts again

You know I didn't mean to make you feel blue

Honest, I'd never do it again

Won't you forgive, won't you forget, do as I ask you to

I never let you regret, if you just start a new

You know I'm sorry, oh, so sorry

Don't cry baby, there's no one but you

(G G7 C Cm)

(G E7 A7 D7)

(G C7 G B7)

Won't you forgive, won't you forget, do as I ask you to

I never let you regret, if you just start a new

You know I'm sorry, oh, so sorry

Don't cry baby, there's no one but you

Don't cry, baby, there's no one but you
