

Pretty Vicious - Are You Ready For Me

tom:
Gb
Gb
 Hush, let's kick it in to touch
 And wash away the sludge that's withering our minds
 Words, a message to the world
 To let the masses learn that someone holds a light

Gb
 So yeah, I'm ready for you
 Yeah, I'm ready for you
 Yeah, I'm ready for you now
 Are you ready for me?
 Are you ready for me?
 Are you ready for me now?

A **Ab** **G** **Gb**
 'Cause we've waited all our lives
A **Ab** **G** **Gb**
 And now's our fuckin' time
A **Ab** **G** **Gb**
 'Cause we've waited all our lives
A **Ab** **G** **Gb**
 Yeah, we're coming

Gb
 Rage, or maybe it's my age
 Or maybe I'm a plague, in every class a clown
 Hope, 'cause radio's a joke
 'Cause all they do is talk and bring the nation down

Gb
 So yeah, I'm ready for you
 Yeah, I'm ready for you
 Yeah, I'm ready for you now

Are you ready for me?

Acordes

Are you ready for me?

Are you ready for me now?

A **Ab** **G** **Gb**
 'Cause we've waited all our lives
A **Ab** **G** **Gb**
 And now's our fuckin' time
A **Ab** **G** **Gb**
 'Cause we've waited all our lives
A **Ab** **G** **C**
 Yeah, we're coming

(**A** **Ab** **G** **Gb**)

Gb
 Damned

I'm caught up in a trance of youthful arrogance
 A voice that's fuelled by pain

Lost and no one gave a toss

But now we've took our slot and so the story's changed

Gb
 So yeah, I'm ready for you

Yeah, I'm ready for you

Yeah, I'm ready for you now

Are you ready for me?

Are you ready for me?

Are you ready for me now?

A **Ab** **G** **Gb**
 'Cause we've waited all our lives
A **Ab** **G** **Gb**
 And now's our fuckin' time
A **Ab** **G** **Gb**
 'Cause we've waited all our lives
A **Ab** **G** **C**
 Yeah, we're coming
