

# PRETTYMUCH - Lying (feat. Lil Tjay)

tom:

D

[Primeira Parte]

Sorry to call you  
So unexpected  
Thought you'd be sleeping, I was gonna leave a message  
In case you're wondering  
I'm countin' blessings  
Just bought this California King and it's expensive

[Pre-Refrão]

Haven't picked a side yet, hardly sleep  
I've been going out, oh yeah oh yeah  
You did me a favor, honestly  
I'm so much better now, oh yeah oh yeah

[Refrão]

But I'm lying when I talk to you  
Cause you're lying under someone new  
And I'm dying wanna tell the truth  
I'm not (oh) I'm not (oh) I'm not over you  
But I'm lying when I talk to you  
Cause you're lying under someone new  
And I'm dying wanna tell the truth  
I'm not (oh) I'm not (oh) I'm not over you

[Refrão]

It hits me right in the chest  
But I still wish you the best  
Until I see you again

[Segunda Parte]

I see them pictures  
From your vacation  
You look so happy holding hands, congratulations  
And if it sound like  
My voice is shaking  
It's 'cause I'm way up in the Hills, my signal's breaking

[Pré-Refrão]

Haven't picked a side yet, hardly sleep  
I've been going out, oh yeah oh yeah  
You did me a favor, honestly

I'm so much better now, oh yeah oh yeah

[Refrão]

But I'm lying when I talk to you  
Cause you're lying under someone new  
And I'm dying wanna tell the truth  
I'm not (oh) I'm not (oh) I'm not over you  
But I'm lying when I talk to you  
Cause you're lying under someone new  
And I'm dying wanna tell the truth  
I'm not (oh) I'm not (oh) I'm not over you

[Terceira Parte]

Lies, games, questions, names,  
That's the reason we're facing these things  
Holding my heart now, my shirt got a stain,  
I guess it's what I get for mistreating my main

Wasn't using my brain, gotta do better  
Yeah, I know I messed up, shoulda knew better  
Man, I guess I'm just stuck in my ways  
I'm just having a focus on new cheddar  
I'm just tryna get the bag now  
I done fell in love with cash now  
All the feelings in the past that I had to dash,  
You was left in last round  
You was really 'posed to ride with me  
Keep it a hundred, don't lie to me  
I understand that the truth hurt bad,  
But it's too late to cry to me

Yeah, yeah, yeah

[Refrão]

But I'm lying when I talk to you  
Cause you're lying under someone new  
And I'm dying wanna tell the truth  
I'm not (oh) I'm not (oh) I'm not over you

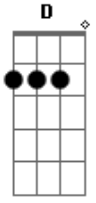

[Refrão]

It hits me right in the chest  
But I still wish you the best  
Until I see you again  
It hits me right in the chest

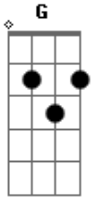

But I still wish you the best <sup>A</sup>  
Don't read my last couple texts <sup>Bm</sup>  
<sup>G</sup> It hits me right in the chest <sup>D</sup>  
But I still wish you the best <sup>A</sup>

Until I see you again <sup>Bm</sup>  
<sup>G</sup> It hits me right in the chest <sup>D</sup>  
But I still wish you the best <sup>A</sup>  
Don't read my last couple texts <sup>Bm</sup>
