

PRETTYMUCH - Open Arms

Tom: **D**

Yo, it's prettymuch

Bm
I see you've been trying to make
Something out of nothing
But baby I'm starting to face
The fact that you're out on the run (oh woah)

Now you got me cuffed
And you ain't even on me
Caught me slippin' up
And now I need you on me
I just wanna touch
But I keep being turned away (woah)

Em **A**
Girl you could tear me apart
D **Bm**
But I can't help it, I'm waitin'
Em **A**
Here with open arms (oh)
D **Bm**
So when you're ready, you know where to find me
Em **A**
Got that key to your heart
D **Bm**
Scrape my knees on the pavement
Em **A**
Here with open arms
D **Bm**
So when you're ready you know where to find me

Bm
So I've been waiting by my phone (brrp)
For that ringtone
But you just don't know what to say
No, it's not like I'm asking for much (woah, woah)

Now you got me cuffed (cuffed, cuffed)
And you ain't even on me
Caught me slipping up (up, up)
And now I need you on me
I just wanna touch
But I keep being turned away (yeah, yeah, yeah)

Em **A**
Girl, you could tear me apart
D **Bm**

D **Bm**
