

Prince - 1999

original bass player on the album: none other then 0(> himself
 original bass player in concerts at that time: Dez
 arranged for bass tab by Jean-Michel Baker

on this album.
 this song sounds better played an 8ve lower, which can b done by using an upright bass setting on a digital mixer through an amp, but it really doesn't make that much of a difference.
 Intro: this is how i play the intro. if u went an extended intro add the 2nd part on2 the end of the 1st.

1 of my friends Nsists that it is played another slightly more complex way.

which i may post if anyone wants me 2.

chorus:
 on the album the chorus is played a few different ways. only the first 2 measures r different each time, so i'm not going 2 recopy the 3rd measure every time

the first way: 3rd measure
