I knew from the start  
That I loved you with all my heart  
But you were untrue.  
You had another lover and she looked just like you

It's so hard to believe  
Maybe it's because you're so young  
Or maybe I'm just too naive  
Who's to say, maybe you're really having fun

All your lovers--they look just like you  
But they can only do the things that you do  
Come on, baby, and take me by the hand  
I'm gonna show what it's like to be loved by a man

Yeah!
