I knew from the start
 That I loved you with all my heart
 But you were untrue.
 You had another lover and she looked just like you

It's so hard to believe
 Maybe it's because you're so young
 Or maybe I'm just too naive
 Who's to say, maybe you're really having fun

All your lovers--they look just like you
 But they can only do the things that you do
 Come on, baby, and take me by the hand
 I'm gonna show what it's like to be loved by a man

Yeah!
