# Prince - Be My Mirror

Tom: F

```
     Be my mirror
F           Dm
Be my mirror, be like me
Bb          C
Easier than ABC
F           Dm
Everything I hope 2 be
Bb               C
U can be that and more U see
F          Dm          Bb           C
If my hand goes 2 the left, yours goes 2 the right
F          Dm               Bb           C
What U see is what U get, just keep me in your sight
Dm            Dm         C              F
U see how much U're just like me when we play this game
Bb        Am        Gm            C
If U play correct my dear, we will be the same
F           Dm
Be my mirror, be like me
 Bb         C
Easier than ABC
F           Dm
```
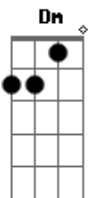

```
Everything I hope 2 be
 Bb            C
U can be that and more U see
F    Dm     Bb   C  2x

Eb                                   F
Ever since good fortune brought U into this world
Dm                 C           Bb            A
I knew that U were a special, a special little girl
Dm                    Dm
When the rest of us get stuck
C                   F
because of things we do  not know
      Bb           Am              Gm               C
My special little girl is already , look   hundred paces down
the road
F       Dm         Bb           C
Be my mirror, be like me       Easier than ABC
F       Dm         Bb             C
Everything I hope 2 be I can be that and more U see
  F                      Dm          Bb
C
                                        I can be that
and more U see
