U want me just as much as I want U,

Take me baby, kiss me all over  
 play with my love  
 Bring out what's been in me for far toolong  
 Baby, u know that's all I've been dreaming of

Emaj9 Do Me Baby, like u never done before  
 Give it to me till I just can't take no more  
 Do Me Baby, like u never done before
