

# Prince - Dolphin

Tom: C

{verse}  
 How beautiful do the words have to be  
 before they conquer every heart?  
 How will U know if I'm even in the right key  
 if U make me stop before I start? {come in loud here!}  
 {chorus}  
 If I came back as a dolphin would U listen to me then?  
 Would you let me be your friend? Would you let me in?  
 You could cut off all my fins, but to your ways  
 I will not Bend.

I'll die before I let you show me how to swim.  
 And I'll come back again, as a  
 Dolphin repeat....  
 {bridge}  
 If I'm at the water's edge will you find me?  
 Will you shine a light to guide me?  
 It's happened before, I've knocked on your door,  
 But you wouldn't let me in....
