I'm the wrong color and I play guitar
My only competition is well in the past
Time and time if time existed moving ever so fast

Don't play me
You couldn't play enough of me now
2 make me feel like a star
Don't play me I already do in my car

[Refrão]

Don't play me
Don't play me

[Terceira Parte]

Don't be mad at me
The curtain puller in the game
Maybe how you call us Nxxxxrs isn't the same
It's all good when you know the only fame
Is the light that comes from God
And the joy you get to say his name
Don't play me

[Final]

Don't play me
I've seen to the mountain top & it isn't what you say
Don't play me
Already got laid
