

# Prince - Mountains

Tom: C

## VERSE 1

G C F G  
Once upon a time in a land called Fantasy  
C F G  
Seventeen mountains stood so high  
C F G  
The sea surrounded them and together they would be  
C F G  
The only thing that ever made u cry  
G C F G  
U said the devil told u that another mountain would appear  
C F G  
Everytime somebody broke your heart  
C F G  
He said the sea would overflow with all your tears  
C F G  
And love will always leave you lonely

G F G F G F G  
I say it's only mountains and the sea  
G F G F G F G  
Love will conquer if you just believe

It's only mountains  
C F G

And the sea  
C F G  
There's nothing greater  
C F G  
Than u and me
