## **Prince - When You Were Mine**

I don't play the bass, just a little bit guitar. So these tabs are just simplified guitar tabs, and the rythm might as well be incorrect.

As "Peach" is is quite easy to play.

Verse (repeat the following): |> G ------|> D -----

## Acordes

> A2  > E -222 When you were mine
>
> G
> D
> A -00242
> A -00242  > E2
You were kinda my best friend

Sorry I can't make up the chorus now, I may try to find it tonight.

David.
