

Priscila Reis - Em Teu Jardim

Tom: Ab

Céu azul, lindas flores

Uma canção no ar

Em tudo flui teus louvores

Te louva tudo que respirar

Observo a natureza

A excelência do criar

Quando entro em teu jardim

Também te adorar

Em teu jardim

Quero te encontrar

E todas as tardes poder te adorar.

Eu quero ter comunhão

E falar contigo como falava Adão

Quero te ter, Senhor, em meu coração.

Quero te ter, Senhor, em meu coração

Mas um dia o pecado

Tentou me afastar

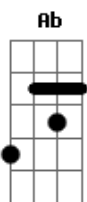

E eu iludida fiquei a acreditar

Que o mundo era meu

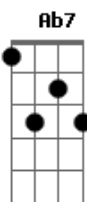

Que o poder estava em mim

Mas a tua Voz me chamou: volta pro meu jardim.
