

Priscilla Ahn - Red Cape

Tom: D

^D
I'm alive should have died in a plane crash
^G
Four long years ago
^D
Lost my hope, couldn't cope
^G
With my fear of news on the radio
^{Em}
But I've got a long red cape
^G
That's caught in the engine of a plane
^D ^G
That's flying way too low
^D ^G
Yesterday a hurricane had blown away my long red cape
^{Em} ^A
And I, feel satisfied

^{D A G A}
(vocalizing)

^D
I'm in peace, I feel sweetly released
^G
From all that I couldn't let go.
^D
If I knew, what to do

The I guess I'd finally feel anew
^{Em}
But I can't wear my red cape
^G
'Cause I would be repeating a mistake
^D ^G
I just gotta let it go
^{Em} ^A
I just gotta let it go

(x2)

^D
Yesterday a hurricane
^G
Had blown away my long red cape
^{Em}
And I, I, I
^G
Feel satisfied (-ied, -ied)

^{D A G A}
(vocalizing)

^D ^G
Yesterday a hurricane had blown away my long red cape,
^{Em} ^A
And I feel satisfied
