

Prisma Brasil - Fui Chamado Por Cristo

tom:

Intro: G Bm F D Em D Em D

Muitos aqui não entenderão o que me aconteceu
 Uns acham estranho e um pouco incomum mas irão com tempo entender

Eu sinto meu coração bater no ritmo que vem do céu
 Pensei que isto fosse tão difícil sentir, mas agora certo estou

Que fui chamado por Cristo, mandado por Deus
 Pelo Espírito eu vou proclamar que Cristo meu Messias e o Salvador

Nova vida amigo quer te dar

Eu coloquei minha vida nas mão do maior Mestre e compositor

As tuas palavras são poemas para mim E o amor faz-me escrever

Mudou meu viver e então eu senti Que um novo amor em mim brotou

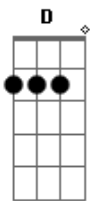

Pensei que isto fosse tão difícil sentir, mas agora certo estou

Que fui chamado por Cristo, mandado por Deus

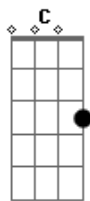

Pelo Espírito eu vou proclamar que Cristo meu Messias e o Salvador

Nova vida amigo quer te dar
