m (com acordes na forma de Em )

Intro: Em C G D Em C G D
Here I am again
Alone on my way
Too afraid of falling
Wise in the end
I wish I could be
At the time when heaven's calling
              Em
But how could I know
That I am not lonely
While I'm walking slowly
On the way that I go
Till I heard that might be
     D
Someone mighty
You said somebody
You said
Somebody, you said
Somebody's always there for me
You said somebody
You said
 С
Somebody, you said
Somebody's always there for me
You said somebody
(Em C G D)
Every day means a fight
Not much better in the night
After wasting some light
When my dream falls apart
Standing that with a broken heart
When it turned back to time
But how could I know
That I am not lonely
